BIG SPRING CUP FOR SOUTHERN SPEED

A fruitful partnership between South Australian breeders Toorak Park and Mill Park has produced countless high class gallopers with the latest to taste success at the elite level being Caulfield Cup heroine Southern Speed.

A four year-old mare by underperforming shuttle sire Southern Image (USA), the Leon MacDonald and Andrew Gluyas trained Southern Speed has always shown Group I ability and was tuned for this assignment by some good recent efforts in the traditional Cup lead ups.

Perfectly ridden by Craig Williams, Southern Speed settled fourth in the run and when asked for an effort in the straight she strode to the front and held off a determined bid from Green Moon (IRE) to win the 2400 metre staying test by a length and a half.

"I've had her right from the start. A couple of times we trialled her as a late two-year-old, she showed us so much," said Leon MacDonald.

"So much so that as an unraced filly Clare (Lindop) wanted to run her in the Dermody Stakes, the 1000m race, but it did not eventuate because she went shin sore.

"She is very sound. She has not had a problem.

Part-owner/breeder Trevor Robertson was on hand for the win.

"A group of us bred and race her, Harry Perks and Rod Fairclough (Toorak Park Stud) and now we're part of racing history," said an elated Robertson.

"They've done a great job with her and very early on Leon said she was all class and he was right."

A homebred for Toorak Park, raised in the wide open spaces of leading South Australian nursery Mill Park Stud, Southern Speed has won four races and placed three times from 12 starts earning prizemoney of \$2 million.

A daughter of former Widden Stud based shuttle sire Southern Image (USA), Southern Speed is the third foal and first stakes-winner for the placed Zabeel mare Golden Eagle, whose dam is a full sister to Golden Slipper winner Ha Ha.

Golden Eagle was sold as part of the Toorak Park Dispersal last year for just \$12,500 and produced a full sister to Southern Speed for her new owners last spring.

SA STUD AND STALLION WINNERS

Winners from the period Sept 10 – Oct 12.

BLEVIC registered the 23rd stakes winner of his illustrious career when **SHEWAN** scored a powerful win in the Group Two MRC Herbert Power Handicap on Caulfield Guineas Day. Not unlike Moudre last spring Shewan has made a meteoric rise through the ranks from his maiden at Warrnambool in May 2010 to his first stakes success via wins at Mildura and Sandown.

The five year old is the fourth named foal of the prolific winner Aberdeen Rose, a daughter of 1989 Oakleigh Plate winner Clay Hero. Her dam, Miss Centum, is a sister to Sydney Cup and Queensland Derby winner Double Century.

Shewan is engaged in the Moonee Valley Gold Cup on October 22 and is among entries for the Melbourne Cup.

Blevic sired another seven winners during the period including the Morphettville winners Cibreo and Exalted Lady.

Exalted Lady (Blevic-Alleged Lady), who scored a long shot win (\$91) first up, was one of three winners bred by Ken Smith for the period along with Meadows Dan at Murray Bridge and the first time winner Exalted Moment (Barely A Moment-Exalted Miss) a half-brother to five time stakes winner Exalted Ego and the latest successful member of the 'Exalted' dynasty.

Tori Park Stud, breeder of jumps heroes Some Are Bent and Black And Bent, featured during the period with two city winners Petman (Lonhro-Gift Bouquet) – a half relation to stakes winners Blahnik and Elysees - and Stravinsky Code (Stravinsky-Villa Lante).

South Australia was well represented during the Caulfield Carnival with wins by Good Journey horse Happy Trails and a stakes winner for Clangalang in the shape of Ladies Vase winner Hi Belle.

It was a long overdue win for Happy Trails - his second after a string of stakes placings - which took his career earnings to \$217,850. Happy Trails is the second foal of Madame Flurry (by Perugino) a full-sister to stakes placed Flurry's Gem from the family of ROYAL SASH.

Danzero horse Golden Lake sired two new winners during the period - Beearch ex Atomic Miss (Geiger Counter) and Imperial Fury ex Dubloons (Made Of Gold) and was represented by a third winner Gold Zero and a fourth - Artechs – a full brother to Beearch.

Willow Grove Stud's Mugharreb was also represented by four winners including the dual Alice Springs winner Harreb's Luck ex Shiraz's Luck (Roi Danzig); and recently re-located Riversend resident Akhadan sired a whopping seven winners around the South Australian provincial circuit – Meadows Dan, Military Dan, Riviera Queen, Handsome As, Granulator, Makeaton and Harry High Pants.

Winning siblings during the period included The Princess (Bellotto) and Just Tess (Devaraja) – from Olivia's Delight, dam of Ottobello & Risky Lass;

Revitalise (Bel Esprit) and Tanby (Galileo) from Group 3 SAJC Lakewood Stud Stakes winner Dane Bellfar ; Let Go Johnny (Bellotto) and Alpha Gold (Fomalhaut) from Gold Desiderio.

MAGIC MILLIONS HORSES IN TRAINING SALE: RED DAZZLER COLT TOPS HIT SALE OPENER

The connections of world champion sprinter Rocket Man struck during the opening session of the Magic Millions National Horses in Training Sale on October 19.

South African based bloodstock agent Andy Williams and Singapore based trainer Patrick Shaw were determined to buy the sessions top seller, a colt by Red Dazzler, and went to \$260,000 to do so.

Shaw, who trains the Magic Millions sold superstar Rocket Man, big strongly and outlasted Macau based trainer Gary Moore to secure the lot who was sold by David Kelly and Lucas Bewley.

"He's a lovely colt," Shaw said. "He was one of our real star lots of the sale and we're thrilled to buy him."

"He is a lovely individual, he breezed well and he comes from a lovely family. He looks a very good prospect."

"We'll send him over to Singapore and hope he can go the job on the track."

Shaw and Williams purchased the top priced lot at last year's HIT sale - Tzar, a son of Gonski, for \$180,000. He is already a multiple winner at Kranji.

"We've had a lot of luck buying from this sale ring - we hope it continues with this colt and the others we get from the sale," Shaw added.

All up over \$3.2 million was traded on 78 lots sold at an average price of \$41,449 and clearance rate of 69 percent. The average is slightly down on last year's sale opener, but above the overall sale average from 12 months ago. The clearance rate was higher than last year's first session when 67 per cent offered were sold.

Magic Millions Managing Director Vin Cox said today's opening session was solid with strong interest from buyers from a number of countries.

"There was strong demand on a number of lots through and the top and middle of the market," Cox said.

"We had a good line up of buyers from around the country as well as overseas - with a large percentage of horses sold to international buyers."

"The top priced lot of the day - the Red Dazzler colt from Boganvillia - was the obvious stand out - but plenty of others sold well."

"Obviously the demand on the fillies wasn't as strong - there's no doubt buyers got some great value there," Cox added.
