WARNING 2019

Stormy Marco

Entered for the Derby just seven days after securing fourth place in the Group 1 Spring Champion Stakes at Randwick. Unable to showcase his usual speed over 2000 metres, the stable found no reason not to back him up, despite facing a challenge with a widely drawn barrier for the Derby, under the guidance of Jockey James McDonald, what a triumph!

Bred by **Rathmore Lodge** and partners, Stormy Marco is a progeny of Wootton Bassett and comes from the Irish-bred mare Rose Memory, a daughter of Elusive City. Originally offered by Ross Hatton and Max Schoeffer of Rathmore Lodge for $70,000 at the Inglis Weanling Sale, he was later resold for $300,000 at the Inglis Easter Yearling Sale to Chris Waller Racing, Mulcaster Bloodstock, and Hermitage Thoroughbreds. For Ross from Rathmore Lodge, joint vice president of the SA Breeders, witnessing his victory in this prestigious race is transformative especially as he has a half-brother by Dirty Work set to be sold at the Inglis Premier Sale next year.

"He's got such a lovely, kind eye, this horse"

"Eyes are the window to the soul and he's just got a really nice eye that you can look at, it's very soft and he's got an engine to go with it." Darren Beadman, Waller Racing.
